## **Sen. Laura M. Toy offers ‘Michigan Recycles’ coloring and activity book to area students**

**LANSING** – State Sen. Laura M. Toy, 6th District, announced that she is offering the “Michigan Recycles” coloring and activity books to area students.

“This is a great way for children to learn about how they can help to protect our environment,” Sen. Toy said. “It is important for our young people to feel like they are a part of something and to know that they can make a difference.”

“Michigan Recycles” is designed to teach students about recycling in a fun way and includes coloring, a maze, word search, crossword puzzle and other activities. It was prepared by the Michigan Legislature and is geared toward third and fourth grade students.

Residents of Garden City, Livonia, Redford Township and Westland may obtain free copies by contacting Sen. Toy’s office at 517-373-1707.
